

## Media Advisory: SE LHIN seeking new Board Chair

---

The Ontario Government is seeking applications from individuals within the South East catchment area interested in, and qualified for the position of Board Chair on the South East Local Health Integration Network Board of Directors.

In consideration of applications for the position of Board Chair, the South East LHIN will be seeking individuals with previous board experience.

Board Chairs are appointed by Order-In-Council for a term of up to three years, subject to renewal. All board members are eligible for a maximum of two terms, not to exceed six years.

This is a part time position requiring flexibility on behalf of the applicant to be available to attend special events which may occur during the business day, evening or weekend.

Full details can be found on the Ontario Public Appointments website or [here](#).

Closing date for applications is September 12, 2012.

***Please note: Current Health Service Provider board members are ineligible to apply.***
